

# Law Enforcement Foundation of Barron County (LEFBC) Newsletter

April 2013

The Law Enforcement Foundation of Barron County is a non-profit charitable organization dedicated to fostering public safety through community building, education, and outreach in concert with area police departments. The Foundation works with a range of community safety advocates to develop and implement public safety and crime prevention programs.

## LEFBC Fundraiser Supported by Thrivent Financial

The Law Enforcement Foundation of Barron County hosted their 3rd annual Brat Sale Fundraiser in November 2012. The fundraiser was held in the parking lot at Rainbow Home Center and 100% of

funds raised go to support local law enforcement efforts through the Foundation. This year, the Foundation was thrilled to gain support from Thrivent Financial for Lutherans. Josh Estreen and Chris

Jenssen of Thrivent came out to help the day of the event and even covered all of the food costs to help make the event successful.

A big thank you to Rainbow Home Center who also supported the Foundation by providing the space and electrical needs.

And thank you to all the community members who made purchases that day and in turn helped the LEFBC continue to be a viable organization in the Rice Lake community.
