Making An Impact

Since incorporating as a 501 C 3 non-profit organization in February 2009 the Law Enforcement Foundation of Barron County has accomplished many things. Through partnership with Sterling Bank, 1000's of bumper stickers raising awareness, "Thank A Cop", have been distributed free of cost to residents of Barron County. Financial grants totaling over \$15,000 have been distributed to departments in need of support. Through the generosity of our community, we have built relationships with many individuals and businesses to foster community relations between all Law Enforcement departments in Barron County. To ensure the continuing success of the Foundation we need a strong base of members. Please consider becoming a member today. Your support is greatly appreciated.

Board meetings are held on the third Wednesday of each month at 4:00 pm. Locations vary each month to encourage local community attendance.
